**To whom it may concern,**

**STANDARD WARRANTY POLICY:**

AirLink iLife INC, here in called AirLink, warrants that all equipment of its manufacture shall be free from defects in design, material and workmanship for a period of 14 months from date of shipment unless otherwise covered by special warranty. If any such product, entirely or in part, fails to produce the performance as set forth in the specification sheet, quotations or provided by AirLink, such product will be replaced or repaired at AirLink's expense provided that the failure was not the result of alteration, misuse, tampering, and misapplication, shipping damage or vandalism.

If a product failure is found to be the fault of AirLink, the cost of transportation to the AirLink factory and its return will be borne by AirLink. AirLink supplies components not of its own manufacture, but specified by a customer, the warranty shall reflect the original manufacturers warrant only.

It is understood that this statement constitutes AirLink's entire and only warranty, there being no other warranties expressed or implied in law or in fact, including implied warranties of fitness.
